

CHURCH OF THE
REDEEMER
SARASOTA, FLORIDA

ANNUAL REPORT 2024

THE REVEREND
CHARLESTON
WILSON
RECTOR

Dear Redeemer Family,

With some frequency, I get asked something that usually goes like this: “Father, why do you think Redeemer is growing when many churches are declining?” The question is put to me often enough that I’ve basically been forced to come up with a theory as to why.

When it’s all said and done, I think Redeemer is growing because people who are connected to this parish feel a very deep, personal, and real connection to the compassionate Christ — to the Jesus of the Bible. This Jesus is the friend of sinners, the very incarnation of God Himself, and is available to you and to me in the present moment, whatever we face.

If you’re visual, look up Bertel Thorvaldsen’s nineteenth-century statue of the Compassionate Christ in Copenhagen, Denmark, and you’ll see the Jesus I’m trying to describe. You’ll see the heart of the Christian faith: a God who isn’t distant and austere but tender, understanding, forgiving, and inviting. And in all we do, whether it’s singing a hymn, serving those in need, or planning for Vacation Bible School, that same Jesus lies at the center of it all.

What I’m trying to say is, Jesus is personal here — “your own personal Jesus,” to quote the band Depeche Mode.

The year 2024 was tremendous for Church of the Redeemer, and in these pages you’ll see the hand of God was clearly at work. But better than looking back, let’s look ahead, giving thanks for 2024 while we double down on the work at hand in 2025: “to make new Christians and make all Christians new.” To that most noble calling, I remain:

Your servant,

A handwritten signature in black ink, consisting of a stylized 'C' and 'W' followed by a plus sign.

The Reverend Charleston Wilson
Rector, Church of the Redeemer

MEMBERSHIP GROWTH

We're so thankful for all of the new members who joined Redeemer in 2024!

Here's a look at a few of our 150 new members and why they decided to call Redeemer their parish home.

When visiting old friends in Ontario, **Nancy Gilbert** was told about Redeemer. Her friend told her about another friend who attends Redeemer and how it's an amazing place, so she tried the parish herself and learned that her friend was right! She is involved in many groups at Redeemer and feels closer to God than she has in a long time.

Paolo Perez was born in Peru, and his wife, **Harper**, was born in Sarasota. They have four children: **Nevi, Tristan, Inka, and Izzy**. The Perez family joined Redeemer to deepen their faith and lead their kids to a Godly life.

Becca and Stephen Grohman first came to Redeemer on Christmas Eve 2023, at the invitation of Stephen's younger brother, and have felt so welcomed and at home ever since. They are grateful for the abundance of God's blessings and getting to see their children — **Kynslee, Kallum, and Elliana** — grow and get involved at Redeemer. Becca was baptized as a child, and Stephen, Kynslee, Kallum, and Elliana were all baptized at Redeemer! The Grohmans appeared as Mary, Joseph, and baby Jesus in the Live Nativity at the 3 p.m. Christmas Eve service in 2024.

Martha and Jim Stiehl have been Episcopalians for 40 years. Martha served as the organist at three Episcopal cathedrals, and Jim served on the vestry at four churches. They learned about Redeemer through a musician friend. She and her husband raved about the music program and said the people were wonderful. The clergy in the Stiehls' former Diocese of Springfield, Illinois, also raved about Redeemer. After their first visit, they knew it was right for them.

OUTREACH EFFORTS

In 2024, Redeemer provided hands-on and financial support to dozens of nonprofits.

Here's a look at two of our outreach partnerships — one local and one international.

Bridge A Life

Bridge A Life's mission is to provide Christ-centered hope for children with relational trauma in Sarasota, Manatee, and DeSoto counties through awareness and family support. The nonprofit helps those who are fostering and adopting through trauma-informed training, meal delivery, financial assistance, home repair, and childcare events.

Redeemer's support of Bridge A Life includes a grant of \$10,000 and countless volunteer hours. One Bridge A Life program, CarePortal, helps provide supplies to families at risk of having their children placed in foster care. Executive Director Jody Jester says Redeemer has a team committed to CarePortal. "People at Redeemer are on the front lines of providing items," she says. "When the church comes alongside families and brings diapers, formula, beds, car seats, and other items, it provides so much stability, and oftentimes, cases are closed and removals are prevented because of the support."

Redeemer has met 112 CarePortal requests, helping 189 children with an economic impact of over \$47,000.

FLE Santiago

Futuro Lleno de Esperanza (FLE) Santiago is a faith-based nonprofit in Cienfuegos, Santiago, in the Dominican Republic. It offers community programs for children ages 3-16 and their families, including preschool, a nutrition program, teacher training, sports clubs, and dance classes.

Redeemer youth and their adult chaperones have visited FLE Santiago twice and will return in summer 2025. They've painted walls and murals; organized classroom and community closets; and hosted a Bible-based summer camp for children. Operations Manager Melanie Fitzsimmons says the camp wouldn't be possible without Redeemer's manpower.

FLE Santiago has received funds from Redeemer totaling about \$27,000 over three years. The money has been used to help create a parent academy, feed students healthy food, and support young girls through education and empowerment. It also allowed the nonprofit to improve its school building and provide training to teachers.

\$695,000

DONATED TO NONPROFITS IN 2024

\$52,000

DONATED TO DISASTER RELIEF IN 2024

Other 2024 outreach projects included:

- Day 4 Hope
- St. Scholastica Grants for teachers
- Lemonade Challenge for Isaiah 117 House
- Hope Seeds seed-packing event
- Streets of Paradise Advent drive
- Adult mission trip to the Dominican Republic
- Salvation Army Angel Tree and bell ringing

CAMPUS IMPROVEMENTS

In 2022, Richard Goewey made a \$1 million donation in honor of his late wife and challenged parishioners to match it. The challenge was met — and exceeded. By the end of 2022, the Mallory Goewey Capital Fund had grown to more than \$2 million. Using a portion of these funds, Redeemer has made many campus improvements. Redeemer is grateful for Richard Goewey and all the parishioners who contributed!

Key campus improvement projects undertaken so far include:

- Improvements to the north side of campus facing McAnsh Square, including a new paver sidewalk, new kitchen door, new kitchen window, and parapet wall to hide AC units
- New roof over the Gillespie Hall kitchen
- New, larger gutters and downspouts for Gillespie Hall
- Preservation of the oak tree in the courtyard
- Addition of security gates on McAnsh and around the courtyard
- Polishing bronze around campus
- New doors for multiple entrances to the church and choir room
- Repainting the exterior of buildings facing Palm Avenue
- New AC units for the nave and new electrical service for the units
- New drywall ceiling in the Organist-Choirmaster's office
- Cleaning and sealing of the underfloor return air ducts in the nave
- New lighting in the nave
- New speakers near the pulpit and lectern
- New hardware and halyards for the flagpole
- A video camera for the baptistry to enhance livestreamed services
- Elevator modernization to comply with current codes
- Rebuilding two stained-glass windows near the high altar

Upcoming campus improvement projects include:

- Leveling the ground and installing new pavers in front of the church
- Painting the exterior of Gillespie Hall along the courtyard
- Repairing 10 stained-glass windows in the church
- Installing new windows along Palm Avenue
- Refreshing the interior of Gillespie Hall

THE REVEREND MICHAEL HURST **SENIOR ASSISTANT RECTOR**

What did your ministry focus on in 2024? My primary ministry focus changed in 2024. My role of supervising liturgy shifted to Fr. David, and I took on the task of Chief of Staff. The main focus of my ministry is now matters of the campus and staff. (The staff focus does not include clergy, as they remain under the supervision of the Rector.) Upon request from the Rector, I facilitated the logistics of the ongoing strategic planning process. I continued my role as parish priest with duties including hospital and home visits, weekday Eucharist, teaching, counseling, and Sunday priestly roles, including celebrating, preaching, and teaching.

What were your ministry's biggest successes in 2024? The church building survived three hurricanes! I count that as a huge success. The damage was minimal and the cleanup was completed quickly. Minor repairs were also completed in a timely fashion. We continued to improve the campus in 2024, including the replacement of church exterior doors, replacing the sidewalk on the McAnsh side of the Robinson Center, the installation of the parapet wall over the kitchen, which included replacing the roof in the same area, and repainting the Palm Avenue side of the church. We also made some staff changes that aligned with the strategic plan. All in all, 2024 was a productive year for the church and staff.

What are your goals for 2025? Helping the vestry and Rector complete the strategic plan, introducing a revised employee handbook, continuing to align staffing with the strategic plan, and coordinating continued improvement of the campus. We also hope to remodel Gillespie Hall.

I continue to pray for the members of this parish family. Gilda and I share the vision of the staff and clergy to "make new Christians and make all Christians new." With God's help, may Redeemer continue to be a shining light in Sarasota, Florida, the United States, and the world.

THE REVEREND **DAVID SVIHEL** **ASSOCIATE RECTOR FOR** **ADULT FORMATION AND** **LITURGY**

What did your ministry focus on in 2024? Adult formation and liturgy were my primary focuses. This included planning, preparing, and teaching adult formation classes, scheduling priests for masses, teaching confirmation, and revamping our acolyte ministry with the help of Acolyte Warden Jody Maxwell. I had the opportunity to teach Old and New Testament classes for the Diocesan School for Ministry. I also participated in the ministry all priests share: worship, preaching, teaching, outreach, visiting the sick, caring for the less fortunate, comforting the grieving, funerals, baptisms, and most importantly, prayer.

What were your ministry's biggest successes in 2024? One of the biggest successes God gave us this year is the number of older children and adults converting to the faith. Throughout the year, I met with individuals and families wanting to learn more about Christianity and ultimately deciding to be baptized!

What are your goals for 2025? I have the same goal every year: to continue to preach the Gospel in word, sacrament, and witness to those who haven't heard the name of Jesus and those who need to be reminded — which is everybody!

THE REVEREND MARIO CASTRO
PRIEST ASSOCIATE FOR HISPANIC MINISTRY

What did your ministry focus on in 2024? Our priority has always been to serve the Hispanic community, promote spiritual growth, and train new leaders in the church. We also work to invite new parishioners to learn about and attend our services.

What were your ministry’s biggest successes in 2024? Our biggest successes included the visit of Bishop Douglas Scharf of the Diocese of Southwest Florida, the celebration of mass for children celebrating their First Communion, and the “Bringing Families Together” celebration and dinner conference on February 24, 2024.

What are your goals for 2025? Our goals for 2025 include continuing to strengthen our ties with the Hispanic community in the Sarasota area and working very hard to strengthen Christian education among our parishioners. There are also two beautiful traditions that are integral to our ministry, and we would like to invite more members of the community to join us for these special occasions: the Lord of Miracles and the Feast of Our Lady of Guadalupe.

THE REVEREND RALPH STROHM
PRIEST ASSOCIATE FOR PASTORAL CARE

What did your ministry focus on in 2024? The Pastoral Care Ministry focused on “making new Christians and making all Christians new,” as all Redeemer ministries strive to do. Because pastoral care is always needed, it is always ongoing. We focused on two areas:

- Recruiting and training Lay Eucharistic Visitors (LEVs), volunteers who take the Blessed Sacrament to those who cannot attend worship services or other activities or who have a difficult time doing so
- Exploring more deeply the needs of homebound and limited-mobility parishioners, resulting in a broader awareness of their care needs

What were your ministry’s biggest successes in 2024? Training new Lay Eucharistic Visitors and identifying more parishioners who want to receive the Blessed Sacrament

What are your goals for 2025? We hope that by increasing our Lay Eucharistic Visitor team, we may serve our parishioners better. We also plan to update the LEV training manual so each volunteer feels more confident during visits. With these steps, we aim for our homebound parishioners to feel more connected to the congregation even though they may not be able to attend in person.

ANNE AYRES **WELCOME COORDINATOR**

What did your ministry focus on in 2024? Our primary focus was welcoming many more amazing folks into our parish family and helping them settle in so they would quickly call this their church home.

What were your ministry's biggest successes in 2024? We welcomed 150 new members! Redeemer 101, Coffee & Connect, and Welcome Receptions all were successful in helping our newest members get plugged in as well as helping them make connections and new friendships. Alongside Director of Communications Grier Ferguson and Fr. Michael Hurst, we were able to offer three different sessions (winter, summer, and fall) of Redeemer Neighborhood Groups, with 285 parishioners participating. Witnessing the participants grow closer to God and to each other was a huge blessing!

What are your goals for 2025?

- Welcome more members to Church of the Redeemer!
- Continue to instill a welcoming presence on our campus for those who are visiting Redeemer and implement new ideas
- Effectively communicate the importance of hospitality and welcoming all people to our parish
- Encourage our Welcome Team (and parishioners) to embrace and live into the saying, "I've never met a stranger."

SAM NELSON **ORGANIST-CHOIRMASTER**

What did your ministry focus on in 2024? We focused on continuing to build the Redeemer Choir School and adult choirs. I also made a game plan for the maintenance and longevity of our beloved Nichols & Simpson pipe organ, which turned 20 years old in 2023. This included working with Wayne Simpson to discuss upcoming projects, such as the cleaning of the reed pipes. Think of it like the 100,000-mile maintenance interval on your car! We also focused on making our music a seamless part of the worship experience at Redeemer rather than a performance — the music is an offering to God.

What were your ministry's biggest successes in 2024? We grew the Redeemer Choir School to have eight regular members. We even gained another couple of members on Christmas Eve! In January, the adult choir gave the U.S. premiere of Liz Dilnot Johnson's First Evening Service, a setting of the Magnificat and Nunc Dimittis that was offered during Evensong. The children and adult choirs learned and offered more than 30 new (to them) anthems throughout the year. We had the inaugural concert of the Becky Thornhill Great Organ Series with Frédéric Blanc, the last student of Marie-Madeleine Duruflé. In November, we had our beautiful 1976 French double-manual harpsichord cleaned and restrung. The strings are now good for another 50 years! On the audiovisual side, parishioner Jack Thompson and I installed more lights in the sanctuary to make it brighter around the altar.

What are your goals for 2025? I would like to begin planning a 2026 choir tour to England as it has been well over a decade since our choir went on tour. This will be an enriching experience for the choir as well as parishioners who want to come along. I hope to commission a new choral work for the trip. I also want to be more thoughtful in creative music choices to draw people to our non-Sunday liturgies and feasts.

Mandy Latta leads several programs for children at Redeemer, including LOGOS on Wednesday nights.

MANDY LATTA **DIRECTOR OF CHILDREN'S FORMATION**

What did your ministry focus on in 2024?

Our focus of the 2024-2025 academic year is to foster a passion for worship, prayer, and discipleship among our youngest members. With the *Book of Common Prayer* as our guide, we strive "to find joy in His presence and give glory to the one who made us" by bringing everyone together in worship and community and through sharing God's great stories.

What were your ministry's biggest successes in 2024?

The 2024 Children's Formation year has been a period of tremendous growth, dedication, and success. Our commitment to providing children with a spiritually enriching, fun, and safe environment has been at the heart of all we do.

Our Formation team's focus of Sharing the Word was empowered through weekly Sunday School classes for pre-kindergarten through high school as well as through Children's Chapel. Sunday School teachers also offered Bible stories in our nursery each week. This year, we saw a record number of individuals serve in various roles — as Sunday School teachers, nursery greeters, and leaders for LOGOS, Just Do It, Little Hands Big Hearts, and Vacation Bible School. Our 1 p.m. Sunday School class in Spanish has continued to grow. Our 2024 Vacation Bible School, with an Olympic theme of "Run the Race, Keep the Faith," was a tremendous success, attracting more children and families than ever before.

We celebrated with Jacki Boedecker in August, who retired after serving as the Director of Children's Formation for nearly 40 years. Jacki's leadership and dedication to the ministry left an indelible mark on our children's faith formation. Her tireless work in building a strong foundation for the ministry has prepared us for continued success.

We extend our deepest gratitude to all the volunteers, staff, and families who have contributed to making 2024 such a memorable and fruitful year. We look forward to what God will continue to do in and through this ministry in 2025 and beyond.

What are your goals for 2025?

Our prayer is that every child who walks through our doors will know Jesus and be transformed by the grace of God in this parish church.

Jackie Overton organized a bed-building day at Redeemer, leading to dozens of beds made for area children.

JACKIE OVERTON

DIRECTOR OF YOUTH & OUTREACH MINISTRIES

What did your ministry focus on in 2024?

The Youth Ministry Program at Redeemer continued to focus on its CORE practices — Community, Outreach, Reflection, and Evangelism. Our growth exploded, and we have officially outgrown our space, fully utilizing both youth spaces on a weekly basis. We are committed to our structure of raising up youth in leadership within the program to create a welcoming and inviting community for new teens and families.

What were your ministry's biggest successes in 2024?

- The successful movement of our youth ministry programs to Wednesday evenings, allowing our middle school and high school youth to interact with each other
- Growth in our high school ministry, both in attendance and leaders
- Bringing on a youth ministry assistant to help run programs and facilitate leadership development
- Middle school mission trip registration reaching capacity within five minutes of opening
- Having several teens seek out baptism, furthering the goal of “making new Christians and making all Christians new”
- Providing opportunities for youth ministry volunteers to receive training in Trauma-Informed Care and Relational-Based Interventions to help deepen relationships and meet our teens where they are
- High school students explored the Gospel more deeply in Sunday School, focusing on the emotions and experiences of Jesus that mirror ours
- Continuing our Serve on Saturday ministry, led by teens and adult support that included service opportunities with Diocese of Southwest Florida Bishop Douglas Scharf
- Our Christmas Camp participation rivaling that of Camp Kanuga’s Winterlight program, a nationally renowned youth gathering

What are your goals for 2025?

- Increase our volunteer base
- Invite and encourage our young people to engage in domestic missions
- Encourage and support those who are seeking baptism, confirmation, and deeper inclusion in the life of worship at Redeemer
- Continue to explore ways we can support parents of teens, including our spring offering, Parenting in the Digital Age

GRIER FERGUSON
DIRECTOR OF COMMUNICATIONS

Left to right: Communications & Digital Ministry Assistant Lindsay Howell, Director of Communications Grier Ferguson, and Printing Coordinator Adam Varga

What did your ministry focus on in 2024? The communications team was busy keeping parishioners and the community informed through the weekly announcements booklet, weekly eblast, monthly newsletter, frequent posts on social media (Facebook and Instagram), press releases, and more. We created graphics and promotional materials to highlight services, events, classes, concerts, and other programs. We added two new great hires to Team Redeemer: Printing Coordinator Adam Varga and Communications & Digital Ministry Assistant Lindsay Howell. I worked with Bulletin Coordinator Lana Mullen to oversee the creation of all service bulletins, helping to shepherd them through the editing process. It was wonderful to collaborate with Welcome Coordinator Anne Ayres and Fr. Michael Hurst on devotional content and promotions for three seasons of Redeemer Neighborhood Groups.

What were your ministry’s biggest successes in 2024? I continued developing content for Redeemer’s new website, including writing, selecting photographs, and working with an editor to produce a video for the homepage. The website, which highlights Redeemer’s beautiful campus and vibrant ministries, launched in July. Another major success was working with a graphic designer to develop a striking new logo for Redeemer. Using our new branding, we created a design for the Redeemer facilities van, our evangelist on four wheels! The new branding also made its way onto refreshed on-screen graphics that appear during our livestreamed services, concerts, and other programs.

What are your goals for 2025? There’s so much to be excited about in 2025 at Redeemer! My goals for the communications team include developing more Redeemer branded items. We also plan to launch a podcast featuring Fr. Charleston Wilson, *Water into Wine*. Join us for casual conversations with your spiritual sommelier! I would like to be more strategic about reaching out to area condo and apartment residents with information about Redeemer to encourage them to experience the parish.

HANANE EL QAMARI
FACILITIES MANAGER

Hurricane Helene made landfall in Florida's Big Bend area on September 26. Its storm surge caused extensive damage to Sarasota's barrier islands, and water nearly reached the church. Two weeks later, Hurricane Milton made landfall on Siesta Key, leading to damage throughout Sarasota. Redeemer faced many downed branches, but as with Helene, the church and offices sustained no water intrusion. Thank you to staff and parishioners who helped the parish prepare and recover from the storms.

Hurricane Milton bent the steel flagpole in front of Redeemer toward the church.

What did your ministry focus on in 2024? Our ministry's primary focus was on hurricane preparation and recovery efforts. Leading up to hurricane season, we concentrated on readiness — ensuring that critical areas of the campus were fortified and that emergency supplies were stocked and accessible. After Hurricane Helene and Hurricane Milton, the team shifted focus to damage assessment, cleanup, and restoration. We coordinated extensive efforts to clear debris, secure structures, and support the congregation by ensuring that key spaces were functional and safe for community use. Our proactive approach and post-storm response highlighted our commitment to resilience and service.

What were your ministry's biggest successes in 2024? Our ministry was happy to help implement several key projects that greatly enhanced the church's facilities and overall atmosphere. Working alongside Junior Warden Tim Hensey, we installed two large air conditioning units to improve air circulation inside the church, creating a more comfortable space for worship and gatherings. We upgraded all four entry points to the church by installing new doors, enhancing security and aesthetic appeal. A major highlight was the transformation of the St. Francis Garden, where we worked with our long-term landscaping partner to remove outdated plants and replace them with new, vibrant greenery, creating a serene and welcoming environment. We also completed a significant renovation along McAnsh Square, installing sidewalk pavers and applying stucco to the exterior wall of the Gillespie Hall kitchen to match the rest of the church's design. We polished statues on campus to restore their original beauty. Another noteworthy accomplishment was the exterior painting of the buildings facing Palm Avenue, refreshing their appearance.

What are your goals for 2025? We plan to work on several projects to upgrade our campus, with the primary focus being the remodeling of Gillespie Hall. This renovation will include installing new flooring, improving the lighting, and enhancing the audio system to make sure the space meets the needs of our congregation. Other than the church, Gillespie Hall is the most frequently used space on our campus, and these updates will greatly improve its functionality and atmosphere. We aim to complete this project by summer. We also plan to update the windows on the second floor of the building to improve energy efficiency and aesthetic appeal. Our overarching goal is to continue making improvements that ensure our facilities remain welcoming, functional, and aligned with the needs of our growing parish.

DEBBIE PFENDER
PARISH ADMINISTRATOR

What did your ministry focus on in 2024? I was given the opportunity to serve as Parish Administrator beginning in 2024. My primary focus was reviewing our processes to manage the day-to-day operations of the parish, including finances, facilities, and staff. Having a good understanding of what processes are working and which ones could be improved is very important.

What were your ministry's biggest success in 2024? Your clergy and staff members are some of the most knowledgeable people I have worked with. Being able to manage the day-to-day operations of the parish so that others on Team Redeemer have more time to focus on their ministries is what I consider my success. Focusing on financial management, I oversaw the parish's financial activity and ensured that we used our resources in accordance with clergy and vestry guidance.

What are your goals for 2025? My main goal as Parish Administrator is to continue to review the processes of our day-to-day operations and make improvements where needed. I want to ensure that all clergy and staff members have the support and resources they need to be successful. It is my greatest delight to support others while always giving credit where credit is due — to God. For it is God alone who has blessed us all with abundant gifts, inspires us to serve others, and gives us the ability to serve in His name.

THANK YOU TO OUR 2024 VESTRY
